VAPI**

REPORT ON WORLD KIDNEY DAY, 2022

DATE: 10TH MARCH, 2022

THEME: KIDNEY HEALTH FOR ALL

INTRODUCTION:-

The World Kidney Day Joint steering Committee has declared 2022 to be the year of “Kidney Health for all”. Specifically, it calls on all of us to work to bridge the knowledge gaps to better kidney care. The 2022 campaign will focus on efforts to increase education & awareness about kidney health & on reducing the stubbornly high CKD knowledge gap at all levels of kidney care.

THEME:-

“KIDNEY HEALTH FOR ALL ”, 10TH MARCH 2022

AIM:-

The main aim of the day is to raise awareness about our “amazing kidneys” highlights that diabetes & high blood pressure are key risk factors for Chronic Kidney Disease & to encourage preventive behaviors, awareness about risk factors & how to live with kidney disease.

REPORT OF NO SMOKING DAY:-

As a part of community posting 4th year B.Sc. Nursing students Students of SANDRA SHROFF ROFEL COLLEGE OF NURSING, VAPI organized one Health Awareness Campaign on 10th March, 2022 Thursday. Students were actively participated in this programme. Health Awareness Campaign kept at Dungra Urban Area.

From 4th Year Ms. Dhruvi & Mr.

Pragnesh gave health education on Kidney care, reducing the risk of Chronic Kidney Disease particularly in high risk population & preventive measures.

CONCLUSION:-

The theme of World Kidney Day 2022 is “KIDNEY HEALTH FOR ALL” and has been chosen to raise awareness about the importance of kidneys in our body & functions.. As a part of community health nursing requirement, 4th year B.Sc. Nursing students celebrated World Kidney Day Dungra Urban Area with the guidance of Community Health Nursing Specialty Faculty Members & Maj. Gen. T.K Bhutia (Retd) Principal, SSRCN.
