SHALL MEET WITH COVID PRECAUTIONS

FRESHER'S PARTY

2021

On 17th July 2021 at multipurpose hall of Sandra Shroff Rofel College Of Nursing, Vapi we celebrated fresher's party. It was very kind of our principal Maj. Gen. T. K. Bhutia ma'am for allowing us to conduct fresher's party with her uphold.

The fresher's party was arranged by 2nd year BSc nursing students batch 2019-2023 but it would not have been possible without the constant support of our class coordinator Ms. Sejal patel and our assistant class coordinator Ms.Vaibhavi panchal and also without all the faculty members and seniors for guiding us in every possible way.

At 1 pm after the lamp lighting programme was over, our 2nd year BSc nursing students completed the left over decoration. We thought to decorate the stage with balloons and the alphabets of fresher's 2k21, then at 2:30 pm we started our fresher's party and we welcomed our principal ma'am with a bouquet and also welcomed our ssrca family.

First we invited our beloved seniors from 2nd year M.Sc. nursing one by one who were welcomed on the stage with a rose for a ramp walk and were also given interesting dares to perform. After their performance a token of love was given to them by our loving seniors from 1st year MSc nursing. After all the 1st year MSc nursing students completed their part, 1st year BSc nursing students were invited on the stage for the same. As there were 40 students so we divided them in four batches as per their roll no. 1-10, 11-20, 21-30 and 31-40. After the 1st batch (1-10) performed Ms.Sidhi patel and Ms. Naimisha patel students of ssrnc were up on the stage for an amazing dance performance.

Similarly, after the second batch (11-20) performed Ms. Kriyangi patel a student of ssrnc had a melodious singing performance and after the third batch (21-30) comedy dance performance was done by 2nd year BSc nursing boys. We finished the fourth batch's (31-40) ramp walk and gaming session as well. When we had welcomed 1st year BSc nursing students on the stage batch wise at that time, all of them were given roses and after their batch completed their part, they were also given a token of love from 2nd year BSc nursing students.

After this we invited our principal ma'am and all the faculty

members to come on the stage for a ramp walk and then our principal ma'am shared her view on this event and announced the winners, which had Ms. Damini patel as miss fresher's from 1st year MSc nursing and Mr. Rathod jeminsinh and Ms. Kriyangi patel as Mr. and Ms. Fresher's respectively from 1st year

BSc nursing. After the winner announcement, vote of thanks was given by Ms. Kenali patel from 2nd

year BSc nursing and Ms. Kriyangi patel from 1st year BSc nursing.

Then we ended our celebration by the ramp walk and dance performance by all the boys (students) of ssrqn and we also clicked few pictures at the end for our unforgettable and sweet memory. At 5:30 pm the fresher's party was over and refreshment was distributed to everyone. After the refreshment we also had DJ party for 30 minutes. And this is how we enjoyed our fresher's party!!

THANK YOU
