REPORT ON INTERNATIONAL CHILDHOOD CANCER DAY

THEME: "UNVEILING CHALLENGES".

DATE: 15th FEBRUARY 2024

VENUE: AAGANWADI DUNGRA

REPORT

Dept. of Child health Nursing, Sandra Shroff College of nursing, Vapi organized community awareness program of street play on occasion of International Childhood Cancer Day on 15th February 2024 with GNM Second year students & Prof. J.M. Silja (HOD of Child Health Dept), Mrs Poonam Patel, Mrs Daulat Kuwar & Ms. Simran Shaikh (Nursing Tutor).

At Anganwadi Center, Dungra

On 15th February 2024 students of GNM 2nd year performed street play & awareness campaign on childhood cancer and also done poster exhibition at Anganwadi center Dungra, Vapi. At last students distributed banana & rajgira laddus to the children and parents. The rajgira laddu was chosen for distribution because of abundance nutritional values it provides for child's growth and development. Bananas are packed with carbohydrates, folate, vitamin B6, vitamin C and potassium. Parents asked questions regarding types of cancer and given satisfactory replies by students and faculty members.

CONCLUSION

International Childhood Cancer Day is a global campaign dedicated to raising awareness about childhood cancer. It serves as a platform to express support for children, adolescents, and their families who face the challenges of this disease
