REPORT

On May 11th, our esteemed institution came together to celebrate Nurses' Day, a special occasion dedicated to honoring the incredible contributions of nurses in the healthcare field. The event was graced by distinguished guests, including our chief guest, Shri Kalyan Banerjee, and the chairperson and founder of our college, Shrimati Sandraben Shroff. The third-semester B.Sc. nursing students graced the stage with an energetic and graceful welcome dance. Their synchronized moves set the tone for the celebration. Ms. Pooja, a fifth-semester B.Sc. nursing student, eloquently welcomed the audience and emphasized the importance of recognizing nurses' contributions. Principal (Mr. Samuel Fernandis (M.Sc. N) delivered an inspiring speech highlighting the theme of this year's Nurses' Day. The theme served as a reminder of the selfless dedication and compassion that nurses bring to their work every day. We took a moment to recognize and honor the nurses who tirelessly serve our community. Each nurse received a shawl, flowers, and a memento as a token of our gratitude. The talented fifth-semester B.Sc. nursing students performed a skit that beautifully portrayed the challenges, triumphs, and heartwarming moments in a nurse's life. Their performance resonated with everyone present. Ms. Esther, a second-semester B.Sc. nursing student, expressed heartfelt gratitude to all attendees, guests, and participants. Her words touched everyone's hearts. To conclude the event, snacks were arranged for students, faculty, and guests. It was a time for camaraderie and reflection on the vital role nurses play in our lives. Nurses are the backbone of our healthcare system, and this Nurses' Day celebration was a small way to express our immense appreciation for their unwavering commitment. Let us continue to support and uplift our nurses, not just on this special day but every day!
