Every year, people across India celebrate Teacher's Day on September 5 to acknowledge the contribution of teachers in shaping their lives. Teacher's Day is celebrated across the world on different days of the year. In India, we celebrate this on the birth anniversary of former President of the country Dr Sarvepalli Radhakrishnan who is considered one of the greatest teachers of the country. The former President, who was one of India's most distinguished scholar, believed that "teachers should be the best minds in the country"

A teacher's purpose is not to create students in his own image, but to develop students who can create their own image.

Happy Teacher's Day
