**WORLD AIDS DAY 2021**

**Theme: "Ending the HIV Pandemic: equitable access,  
Everyone's voice"**

**Date: 1<sup>ST</sup> December 2021**

## INTRODUCTION:

Every year, on 1<sup>st</sup> December, the world commemorates World AIDS Day. People around the world unite to show support for people living with and affected by HIV & to remember those who lost their lives to AIDS.

The World AIDS Day, UNAIDS is highlighting the urgent need to end the inequalities that drive AIDS & other pandemics around the world.

Without bold action against inequalities, the world risks missing the targets to end AIDS by 2030, as well as a prolonged COVID 19 pandemic & a spiraling social & economic crisis.

## OBJECTIVES:

- 1) Prevention of HIV transmission
- 2) Safe Blood Transfusion
- 3) Reduction of Sexually Transmitted Diseases transmission
- 4) Establishment of surveillance
- 5) Reduce Stigma attached with disease
- 6) Training of Health Staff
- 7) Research and Behavioral studies
- 8) Create an enabling environment
- 9) Build the right capacity

**REPORT OF AWARENESS PROGRAMME ON HIV/AIDS:-**

Sandra Shroff ROFEL College of Nursing organized an event on World AIDS Day on Tuesday, the 1<sup>st</sup> of December, 2021. The main aim of the celebrations of 2021 World AIDS Day:

- To empower & increase the awareness to participants of HIV/AIDS, its impact, management and availability of support systems.

Our college has organized an “AIDS Awareness Rally” from 8am to 9am from SSRCN campus to Gunjan circle (approx. 2 km) with a special focus on reaching people left behind to highlight the growing inequalities in access to essential HIV services.

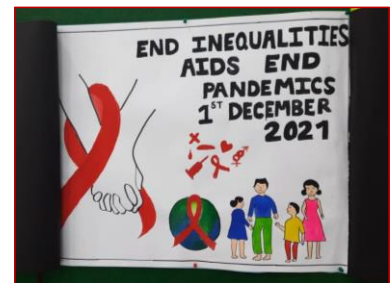

Our B.Sc. Nursing students & M.Sc. Nursing students were actively participated in the AIDS awareness event and wear Red Ribbons showing their solidarity with the people living with HIV infection. It acts as a symbol of awareness and support. Wearing a red ribbon is a best way to raise awareness about AIDS and convince people to not discriminate people living with HIV.

At 9.30am Rangoli & painting competition was started at Multipurpose Hall, SSRCN. Participants were SSRCN students & Nursing staff of HRH. After that Dr. Nupur & Prof. Nidhhi came from GRIIMS ROFEL to inaugurate our beautiful Paintings & Rangoli made by all participants. The theme was know, talk, protect, test & treat to end HIV/AIDS.

At 12pm Programme was started in multipurpose hall. Anchor was Ms. Rima & Ms. Gayatri from 4<sup>th</sup> year internship. At first Our Academic Chairman Maj. Gen. Mrs. T.K.Bhutia(Retd.) , all dignitaries & all faculty members came on the dias & unfolded the theme. After that our Principal Mam gave speech on the theme. Then Dr. Nupur & Prof. Nidhhi shared their views. Ms. Charu, intern student enlighten the topic on End inequalities & End AIDS.

To create awareness on HIV/AIDS, our 4<sup>th</sup> year & 3<sup>rd</sup> year B.Sc. Nursing students gave health talk on causes, signs & symptoms and prevention of HIV/AIDS in the OPD of GMERS Valsad & Haria L.G. Rotary Hospital.

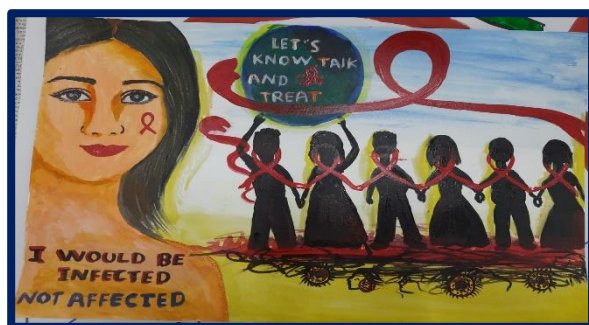

At last they announced the name of winners of painting & Rangoli competition and distributed prizes to all winners by Principal Madam & all dignitaries. Programme was winded up by 1pm with Vote of thanks & National song.

## CONCLUSION:

The AIDS Awareness Programme aims to unite in the fight against HIV, to show support for people living with HIV, & to commemorate those who have died from an AIDS- related illness.

As a part of curriculum, the students of SSRCN and all faculties participated in AIDS Awareness event with the guidance of Maj. Gen. TK Bhutia (Retd) Principal, SSRCN.
