**WORLD SCHIZOPHRENIA DAY CELEBRATION**

**DATE: 24 May 2024**

**THEME: “Celebrating the power of community Kindness.”**

**VENUE: Urban Health Center, Dunga**

**REPORT**

Department of Mental Health Nursing, Sandra shroff College of Nursing, Vapi Organized community awareness programme on the occasion of “WORLD SCHIZOPHRENIA DAY” on 24<sup>th</sup> May, 2024 at Urban Health Center, Dunga under the guidance of Prof. Samuel Fernandis. This day plays a crucial role in educating the public, reducing stigma and promoting empathy and understanding towards individuals living with schizophrenia. According to World Health Organization latest estimates in 2023, Schizophrenia affects approximately 24 million people worldwide, which equates to about 1 in 300 people worldwide.

Welcome address: Mrs. Swati Mistry Asst prof of SSCN welcome the gathering of the community. 2<sup>nd</sup> year GNM students performed NUKKAD NATAK on various symptoms of schizophrenia present in patient such as hallucination, illusion, delusion of grandiosity etc. student dramatically explained about the counselling and psychiatric services available. 5<sup>th</sup> semester students displayed various poster at Dunga UPHC on schizophrenia such as its causes, symptoms, treatment & preventives aspects of schizophrenia. It outreached many people of community throughout the day it was displayed. At last, vote of thanks was delivered by Ms. Nirali Desai, Nursing Tutor. Thanked everyone who made this event successful.
