REPORT ON WORLD HEALTH DAY 2026

Event: World Health Day

Venue: UPHC, Valmiki Awas (Vapi), HRH, Vapi

Date & Time: 7th April, 10:00-11:00 Am

Organized by: Student Nurses Association, National Service Scheme & Community Health Nursing Department

INTRODUCTION

World Health Day was celebrated on 7th April 2026 in urban primary health centre Valmiki Awas & Haria L.G. Rotary Hospital, Vapi with great enthusiasm and commitment towards promoting health awareness. The program began with the opening of the theme, highlighting the importance of global health and well-being.

The event was followed by an informative speech delivered by Dr. Akshay Patel, who emphasized the significance of maintaining a healthy lifestyle, early detection of diseases, and regular health check-ups. He also encouraged students and participants to spread awareness about preventive healthcare in the community.

ACTIVITY

The program was actively organized and conducted by 1st year, 2nd Year and 3rd year GNM students under the guidance of faculty members. The students played an important role in managing and executing all the activities of the event.

After the speech, various health screening activities were conducted by the GNM students for the participants. These included blood pressure (BP) assessment, measurement of height and weight, calculation of Body Mass Index (BMI), and Random Blood Sugar (RBS) testing. The screenings aimed to identify potential health issues and promote early intervention.

CONCLUSION

The event concluded with the Vote of Thanks, who expressed gratitude to the respected management, community officers & staff members, faculty members, organizers, and students for making the event successful. All the students and staff members actively participated in the activities and contributed to the successful implementation of the program.

A total no. of 40 patients was screened during the programme. The programme was successfully carried out with the active involvement of total 25 students of 1st year and 2nd year GNM.
